

Accessories

THE NEW LANCER EVOLUTION

Important: Front spoiler, side airdam and rear corner extensions need to be installed together because of the aerodynamic balance of the vehicle.

In case the vehicle is equipped with the large (Lancer Evolution type) rear spoiler, the front spoiler, side airdam and rear corner extensions need to be combined with the rear spoiler extension and brake air duct.

THE EXPRESSION OF EMOTION

Every angle, every line and every inch... The new Lancer Evolution breathes pure emotion. Its totally new design embodies a rich rally history as well as a timeless future. Looking at the car carefully, you can actually feel the focus and commitment of its developers. What you see and feel is their expression of emotion captured in one modern masterpiece.

Mitsubishi Motors’ developers know a lot about high-performance vehicles, but they don’t pretend to know the desired design specs of all customers in fine detail. So please take your time to think about exactly what you’ll be doing with your new Lancer Evolution and select the accessories from this brochure that best reflect your taste, style and needs.

Lancer Evolution shown with brake air duct, front spoiler, side airdam, rear corner extensions, rear spoiler extension, sports striping, carbon mirror covers and B-pillar decoration.

Important: Front spoiler, side airdam and rear corner extensions need to be installed together because of the aerodynamic balance of the vehicle.

In case the vehicle is equipped with the large (Lancer Evolution type) rear spoiler, the front spoiler, side airdam and rear corner extensions need to be combined with the rear spoiler extension and brake air duct.

SHAPED BY THE WIND

The new Lancer Evolution has been designed to minimise aerodynamic drag and maximise aesthetic appeal. The major evolutionary leap forward in this regard has to be the implementation of blister fenders. Norihiko Yoshimine, the designer behind the idea, explains: “I heard people saying how the functional beauty of such extreme shapes was really cool.” The rest is wind-tunnel history.

You can personalise the look of your Lancer Evolution with options such as sports striping, or decoration foil for the B-pillar or tailgate. And for the real enthusiast, we have various accessories to increase downforce and the like. Please check them out in the next pages.

SPORT STYLING

^ Sports striping

Striping over front bumper, hood, roof, tailgate and rear spoiler (set of 5 pcs).
Pre-cutted for perfect fitting.

MME31801 Titanium colour with black edge
MME31802 Red colour with titanium edge
MME31804 White colour with black edge
MME31803 Black colour with titanium edge

Mirror covers ›
Carbon look.
Adhesive.
MZ314059

Mirror covers ›
Alloy brushed look.
Adhesive.
MZ314060

Rear corner extensions ›
Reduces aerodynamic drag
(CD) by 0.3%.

Available in all body colours.
Please see the quick
reference list for details.

~ Front spoiler

+6kgf downforce (rear -2kgf) at 100 km/h and
+19kgf downforce (rear -7kgf) at 180 km/h.
Reduces aerodynamic drag (CD) by 1.3%.

Available in all body colours.
Please see the quick reference list for details.

Brake air duct ^
 Front suspension spoiler for enhanced front brake cooling.
 MZ555004EX

◀ **Rear strut bar**
 Aluminium with Lancer Evolution badge, to increase rear body stiffness.
 MZ574598EX

THE INSIDE STORY

The interior of the new Lancer Evolution leaves little to be desired by drivers and passengers alike: high-quality materials throughout, lines and surfaces on a par with the exterior and yet form still follows function so that the whole makes perfect driving sense. Prime ergonomics, a calm, elegantly finished dashboard, custom-built Recaro sport seats, instruments and controls that couldn't be closer at hand – it's all standard. Some of the finer details, however, we felt you might like to choose for yourself. Perhaps an alloy foot rest to complement the sports pedals? Or the beautiful alloy leather shift knob and matching handbrake lever? You can create your own personal look and feel to taste. And what about cruising along to concert-hall acoustics while enjoying the carefree navigation experience supplied by the Mitsubishi Multi Communication System?

◀ Lancer Evolution interior shown with MMCS, alloy/leather gear shift knob and alloy foot rest cover and heater panel decoration in silver look.

^^ Foot rest cover

Alloy/rubber combination.

IN-CAR ENTERTAINMENT

- › **Mitsubishi Multi Communication System (MMCS)**
 - 40 GB harddisk double wide DIN audio-/video-/navigation system
 - 7" touch screen display
 - European road maps pre-installed on harddisk
 - Touch screen for all functions
 - Audio adjustable via factory option steering wheel buttons
 - 9 GB music server with Gracenote® database
 - CD-text
 - MP3 & WMA compatible
 - DVD video during standstill
 - DVD/CD slot
 - Standard equipped with TMC tuner
 - Board- and trip computer information: average speed (and graph), average fuel consumption (and graph), instant fuel consumption, driving time, distance to empty, distance driven after refueling, lap time, altimeter, barometer, outside temperature (also in graphs), airco display
 - Vehicle settings customizing options: keyless entry, day time running lights, wiper blades, indicators, dome light
 - Mobile phone operation (when factory Bluetooth® unit is installed)
 - Applicable to 6 speaker standard system and 9 speaker Rockford Fosgate
 - 4ch x 45W
 - AUX-cable to connect portable audio equipment (optional) MZ314147

Installation kit for MMCS

Includes new dashboard panel and CAN-adapter.

AN UNLIKELY COMBINATION: BRUTE POWER AND EVERYDAY COMFORT

On the face of it, and to most, the Lancer Evolution is a rally racer. Quite right, too: it's built to win. But this new Lancer Evolution, possessing the power of body to push performance to the limit speed-wise, also boasts the strength of mind to encourage you to drive cool and collected. And Mitsubishi Motors has created some stylish and practical accessories to enhance your comfort even further. Illuminated entry guards, for instance, for late at night, and textile mats for a soft, plush floor finish.

› Lancer Evolution interior shown with illuminated entry guards, alloy foot rest cover, alloy/leather gearshift knob and hand-brake lever, MMCS, heater panel decoration in silver look and textile mat set.

^ **Textile mat sets**
Premium class, anthracite.
With Lancer Evolution name on driver's mat.

SAFETY & PROTECTION AS A MATTER OF COURSE

Out on a rally track or the open road, whether home is a finish line or a place where dinner is served, the ultimate priority is to get home: To finish first you first need to finish. So needless to say, the Mitsubishi Lancer Evolution is fitted with more standard safety and impact protection features than you can shake a stick at. Designed with other road users in mind, as well as occupants. And they meet racing standards.

There are some though, that you may not need, or care for. Like a range of safety seats for children, rear parking assistance for tight urban spaces, mud flaps for the great outdoors, or an alarm system for the protection of your Lancer Evolution from jealous bandits.

SAFETY & PROTECTION

^ Rear parking assistance

Assists reversing with audible distance indication.
Primered condition, can be painted in body colour with genuine spray cans (available at your dealer).
Set of 4 rear sensors.
MZ314195

^ Mud flaps

Set of front and rear mud flaps.
Rear flaps with alloy Lancer Evolution badge.
MZ531356EX

^ Body cover

High quality body cover, incl. two straps and storage bag.

MZ541688EX For vehicles with large spoiler
MZ541689EX For vehicles without large spoiler

SAFETY & PROTECTION

Child safety seat ^

For children between 3 and 12 years of age.

“Kid” (no isofix)
MZ312808A

Child safety seat ^

For babies up to 15 months or 13 kgs.

“Baby-Safe Plus” (isofix)
MZ313589

“Baby-Safe” (no isofix)
MZ312807A (no ill.)

^ Child safety seat

For children between 8 months and 4 years old.

“Duo Plus” (isofix)
MZ313045A

“Lord” (no isofix)
MZ312745A (no ill.)

^ Safety kit

Includes first aid kit and warning triangle.
MZ312959

First aid kit (no ill.)
MZ312958

Warning triangle (no ill.)
MZ312957

Isofix detail ^

Anti-theft alarm ^ system

Includes ultrasonic sensors, sirene, dedicated wiring harness, plug & play.
Operation via original keyless entry system, KOS (Keyless Operation System) compatible.
MME31800

A LIFE OF CONVENIENCE

The Mitsubishi Lancer Evolution is a wolf in sheepskin. It has undergone an evolutionary rethink that resulted in better performance in every respect. Yet it has also matured, gained versatility in purpose and grace of handling to make it an ideal companion on leisurely trips. And in order that you can safely transport the things you need when out and about, Mitsubishi Motors offers a comprehensive range of roof carrier attachments. Holders for boards, bikes, baggage... they'll slow you down a bit, but hey, the good life is a life of convenience.

^ Lancer Evolution shown with rear spoiler extension, tailgate garnish, rear parking assistance, exhaust heat shields, rear corner extensions, side airdam, B-pillar decoration, brake air duct, front spoiler, roof carrier and ski/snowboard carrier.

◀ **Roof carrier**
With integrated lock for roof moulding applications.
Aluminium.
